The terms of the sale of the above kitten are as follows:

1. The Cattery guarantees that the kitten is Feline Leukemia negative. After 90 days, and prior to 1 year, a substantial discount on a new kitten is offered. All other health issues are the responsibility of the owner after 72 hours. It is recommended that the kitten be examined by a veterinarian within that period. If the kitten is found to be medically deficient in any way a full refund will be provided. The cattery must be notified within the guarantee period of any problems, failure to notify the cattery voids the guarantee.
2. The kitten will be replaced for a period of one year from sale for any genetic defect that might arise. The purchaser must provide veterinarian documentation of any such problem.

3. The kitten is required to be neutered prior to reaching eight (8) months of age. Proof of neutering must be supplied to the cattery within eight months and ten days of the birth of the kitten, upon receipt of proof of neutering the CFA papers will promptly be forwarded to the owner of the kitten.

5. This cat may not be sold, leased, given or transferred to any pet store, research laboratory, humane society, SPCA, or similar facility, without the Cattery being given the right to purchase the cat for the sum of \$1.00. Any person who improperly received the cat covered by this agreement does so subject to the right of the cattery to claim the cat.
6. The buyer agrees to keep the cat indoors at all times, unless on a leash or in a carrier.
7. The buyer acknowledges that the use of the FIP vaccine voids all guarantees.
8. The buyer agrees to pay all court costs and reasonable attorney's fees of the Cattery involved in any litigation or threatened litigation resulting from this contract.

The buyer does hereby appoint as attorney in fact any lawyer admitted to practice law in the Commonwealth of Pennsylvania for the purpose of accepting service of any lawsuit initiated by the Cattery; said attorney in fact shall make reasonable effort to promptly notify the buyer of the receipt of service.
